

Technical drawing of a horizontal pump assembly. The drawing shows a side view of the pump with various dimensions labeled. The main dimensions are:

- a : Distance from the center of the pump to the center of the motor.
- f : Distance from the center of the pump to the center of the motor.
- l : Length of the pump housing.
- c : Height of the pump housing.
- w : Width of the pump housing.
- m_1 : Distance between the two mounting feet.
- m_2 : Distance from the center of the pump to the center of the mounting feet.
- u : Width of the mounting feet.
- t : Thickness of the mounting feet.
- d : Diameter of the mounting feet.
- $DN1$: Nominal diameter of the pump inlet.
